Join Team RNLI and take to the water at the North Wales Boat Show.

Gather your team together for a great day on the water over August Bank Holiday in Bangor.

Events consist of teams, with the number of members of team ranging from 11 – 17 people. Each team has a drummer, to beat a steady rhythm and therefore an odd number is required for one person to be the drummer. In circumstances where there are more than 17 people, the extra people can register as reserves (A maximum of 20 people in a team). Each team has a minimum of 3 races, where they race against other teams over a 200 metre race course. The fastest teams go through to the Grand Final. Chinese Dragon trophies are presented to the 1st, 2nd and 3rd placed teams, the winning team also receives specially designed Dragon Boat medals.

The following is included for all team members paddles, buoyancy aids, safety boat cover, qualified helms, instructors,

safety boat drivers, marshals, timing officials, and traditional Chinese awakening ceremony.

Each member of the team is encouraged to raise sponsorship on an individual basis and as a whole team, an example: if each person in a team raises a minimum of £50.00 that's a minimum of £1000.00 in sponsorship (based on 20 people in a team) which goes directly to the RNLI. The more teams to enter to the event the more sponsorship you will raise.

Enter your team in one of two ways and make a weekend of it.
