Sunseeker to appear at North Wales Boat Show

The 3rd annual North Wales Boat Show returns to Vaynol, Bangor later this month with a number of high-profile exhibitors in attendance.

For the first time ever, Sunseeker London will be making an appearance with a Superhawk 43.

Abersoch Land & Sea, sole importer of Cranchi motoryachts from Italy, is also planning to bring a 32-footer to the show as well as a selection of Bayliners, while Fairline dealer Blue Water Marine will be bringing a Targa 44 and a selection of Chaparrals.

Zodiac Marine & Pool (ZMP), whose brands include Avon, Bombard and Zodiac, is sponsoring this year's show.

"This coupled with the other 100 or so companies attending the show will be a major boost to the event," says show organiser Ben Sutcliffe. "Although we are only weeks away from the show we are always pleased to hear from others who might like to attend in North Wales."

The 3rd North Wales Boat Show runs from July 30 to August 1, 2010.
